Dear Mohamed-Nabil SABRY

I am Atsushi YONEBAYASHI in Japan. I participated in ThETA.
At first, I felt nervous because it is my first participation for the international conference.
But, you and your assistant are very kind and gentle.
I was able to enjoy the presentation, the academic society and Egypt.
Thank you for your great kindness.

best regard

Dear Dr. Nabil,

It was a pleasure meeting you in Cairo. I've truly enjoyed the conference. Unfortunately, I was unable to attend the banquet on the second day of the conference due to severe cold I had. I do hope to meet you again in the very near future.

Best Regards,

Mohab
